SUMMARY

Computer Science Engineering student with hands-on experience in Backend and Full Stack Web Development using Node.js, Express.js, MySQL, JavaScript, and RESTful APIs. Skilled in developing scalable backend systems, real-time applications, authentication systems, and CRUD-based web applications. Familiar with Git, GitHub, asynchronous programming, API integration, and database management. Passionate about Software Development, Artificial Intelligence, and Problem Solving.

TECHNICAL SKILLS

Languages: JavaScript, Python, Java
Frontend: HTML5, CSS3, JavaScript
Backend: Node.js, Express.js
Database: MySQL, MongoDB (Basics)
Tools & Platforms: Git, GitHub, Postman
Concepts: REST APIs, CRUD Operations, Authentication, JWT, API Integration, Async/Await

SOFT SKILLS

Teamwork,
Problem Solving,
Adaptability
Time Management

PROJECTS

CLI-Based CPU & Memory Monitoring Tool | Node.js

- Built a command-line monitoring tool to track real-time CPU and memory usage statistics.
- Utilized Node.js OS module for system-level performance monitoring.
- Implemented color-coded console outputs for improved readability and debugging.

Online Chat Application | Node.js, Express.js, WebSocket, JavaScript

- Developed a real-time chat application using WebSocket, Node.js, and Express.js.
- Implemented instant messaging and live user connection handling.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Enhanced real-time communication performance and user interaction.

Student Information Management System | Node.js, Express.js, MySQL

- Developed a full-stack student management system with CRUD functionality and RESTful APIs.
- Implemented server-side validation, dynamic routing, and MySQL database integration.
- Designed backend architecture using Express.js and asynchronous programming concepts.
- Improved data handling efficiency and user interaction through optimized API responses.

EDUCATION

Bachelor of Engineering in Computer Science
Shri Sant Gajanan Maharaj College of Engineering, Shegaon | 2023 – Present

Higher Secondary Certificate (HSC)
Shri Samartha Junior College of Science, Akola | 2022 – 2023

Secondary School Certificate (SSC)
Shantiniketan English Convent School, Murtizapur | 2020 – 2021

CERTIFICATIONS

- HTML5 & CSS3 – Coursera
- JavaScript Essentials – Coursera
- Backend Development with Node.js & Express – Coursera
